Kyyba chosen a Best of MichBusiness winner

For the first time in its history, Kyyba Inc., a global staff augmentation and project solutions firm, has been selected as a Best of MichBusiness 2015 winner in the HR Wizards and Partners category. The company received the honor at a recent ceremony at the Atheneum Suite Hotel in Detroit.

Hundreds of nominations were submitted for the category, which applauds the best human resources teams who work daily to obtain and keep the best employees for their organization.

“We are honored to be recognized for our human resources initiatives and work in the field,” said Kyyba President and CEO Tel Ganesan.

“Our team works incredibly hard year-round to ensure that not only do we provide an enjoyable work environment, but that we also recruit, develop and retain individuals who can reach their maximum individual and organizational potential with us.”

The BEST of MichBusiness Awards program recognizes companies and individuals who make Michigan the place to do business. Powered by the Michigan Business and Professional Association, MichBusiness is an online community that celebrates and promotes success and opportunity within the Michigan business community.

Kyyba serves industries including automotive, education, technology and manufacturing.
