KYYBA, INC. NAMED ONE OF THE FASTEST-GROWING PRIVATE COMPANIES IN THE U.S. IN ANNUAL LISTING

FARMINGTON HILLS, MICH. – Aug. XX, 2015 – For the seventh time, Kyyba, Inc., a global staffing firm, has been included in Inc. 5000’s annual list of the fastest-growing private companies in America. Those included have demonstrated a consistent high level growth, something that is especially notable due to the difficult economic environment of recent years.

Serving industries such as automotive, education, technology and manufacturing, Kyyba previously received the award every year from 2008 to 2013. The company was noted for having a three-year growth rate of 62 percent and 2014 revenues above \$32 million.

“Our entire team is honored to once again be included in the Inc. 5000 list,” said Kyyba President and CEO Tel Ganesan. “Being named amongst the top private companies in the country is extremely humbling and fills us all with a great sense of pride.”

Honorees will be celebrated at the 2015 Inc. 5000 Conference and Gala, Oct. 21-23, in Orlando.
